Brief Guide to Green Culture 7

London Airports

Direct flights to Montenegro from the UK are from Gatwick and Stansted airports on Easyjet, Montenegro Airlines and Ryanair. There are indirect flights from Heathrow airport too.

Destination

Montenegro is served by two airports: **Podgorica (TGD)** which is located in the central region which would be the closest and recommended (and is approx. 30mins closer to the venue than Tivat) and **Tivat (TIV)** which is located in the coastal area. The next closest airport is Dubrovnik (DBV) in Croatia and Tirana (TIA), Albania.

If you have more time and you'd like to enjoy the scenic journey through Europe we recommend to go for the train travel and use the www.seat61.com for all connections and de-tails. But if you'd like to join us this year for few days or longer and plan different travel options for next year, then direct flights are from London and Manchester on Ryanair from Stansted airport and Easyjet from Gatwick airport. Other tried connections are with Wiz-zair via Budapest, Milan and Munich, also with other airlines via Belgrade and Vienna and other cities, on Air Serbia, Montenegro Airlines, Austria Airlines, Alitalia, Turkish Airlines and Adria Airways amongst the others.

Another option is car sharing via www.blablacar.co.uk and similar sites.

Airport greeting

Taxi cost from the airport to the centre of Podgorica is not more than €7-8. Similar for Tivat. Make sure you take a taxi with a taximeter. Regular taxis have TX number plates and call numbers start with 19(700, or 19714 or similar)

Hotel accommodation :

Included in your package in addition to the ticket for the event is half board accommodation (breakfast & dinner included). Drinks are not included. The Ada Bojana resort is a bungalow style hotel from the '70s which offers clean and comfort-able accommodation with toilets/showers, fridge and an a/c in each room. The water at the resort has a high % of sulphur in it (which is particularly healthy for the skin and hair, but has a specific smell), so bottled water will be available to buy from the hotel's restaurant.

Restaurants:

Walking distance to the resort there are several high quality restaurants which have an ex-cellent selection of fresh food. The prices are very affordable. There is also a convenience food shop on the hotels' ground. There is also a well-equipped camping area.

Return to airport

Where arranged, you will be driven back to the airport on the Sunday morning from the main hotel reception or the ride can be pre-arranged. The price is in the region of €50 to Podgorica or €75 to Tivat.
